Dear Sir/Madam

RE: Requisition for a sponsor

1. Introduction

For the past eight (8) years Semonkong Children's Centre (SCC) has been sponsored by Sentebale (Prince Seeiso and Prince Harry's trust for OVC's). We were receiving 50% of our expenditure from Sentebale and the rest through any donations either from Lesotho or Overseas. However, our main Sponsor (Sentebale) has decided to cease its financial and technical support to SCC. This difficult decision came about due to current challenging resource mobilization environment where Sentebale was not able to raise funds as it used to.

Thus the partnership ended on the 28th February 2017. The partnership started in 2009 where Sentebale provided us with annual grants to address the key components of the child status index that aspired to secure and maintain the well being of the vulnerable children under the care of SCC.

2. Budget and Donations request

Our current running expenses are roughly M55, 000 a month. To care for one child is only M500. We would kindly request your good office to support SCC in any way possible. Any donations, on a monthly, quarterly, annual basis or a once off donation towards food or wages for

the Staff who are taking care of these Vulnerable Basotho Children would be most welcome.

3. For more information

To know more about the history and mission of SCC please read the attached documents. Should you wish to know more about our Children's overall policy or see our financial statements or ask any other question please don't hesitate to contact us or visit our site (www.semonkongcc.org)

Your consideration on our appeal will be highly appreciated. Looking forward to your response with anticipation.

Yours Faithfully
